# Connect to Oracle Database

In CS206

- Programs > Oracle – OracleClient11g_home1 > application Development > SQL Plus

In SQL Plus window

- When you see "enter user name:"
- Type in your email id and "@SCSP".
  - For example, my email id is "lindan"
  - I type "lindan@scsp"
  - SCSP is our database name.
- When you see "password"
- Use your email password
